

Skills Support[®] for the Workforce

Redundancy Support

Here to help you through redundancy

If you have impacted by redundancy or you have been placed on the government's Job Retention Scheme (furlough), we have a range of advice and support to help you get back into work.

What support is available?

We can provide you with a range of advice and support which is tailored to your needs. Our friendly advisors can help you work through online learning programmes in order for you up-skill or re-train for another role.

What can I learn on Skills Support for the Workforce?

We have a range of programmes available for you to study online including:

- * Team Leading
- * Business Administration
- * Customer Service
- * Cleaning
- * Business Improvement Techniques
- * Warehousing and Storage
- * Retail
- * Lean

In addition, we can help you with improving your CV and interview skills.

Who is eligible for support?

- Learners must be aged 16+
- Someone who is at risk of redundancy, has recently been made redundant, or has been placed on the governments Job Retention Scheme (furlough)
