

# Energy Management Frequently Asked Questions

Working in partnership

Barnsley & Rotherham  
Chamber of Commerce  
Business. Always Business.

### Brief background

**PEP offer an award-winning, comprehensive energy management service which includes electricity, gas and water procurement; site installations; energy compliance; energy efficiency audits to identify potential savings; and Net Zero planning to help businesses achieve government climate targets.**

### What is Net Zero

Net Zero aims to completely negate the amount of greenhouse gases produced by human activity, to be achieved by reducing emissions and implementing methods of absorbing carbon dioxide from the atmosphere.

### What do PEP offer members?

A free initial discussion to understand what the business wants to achieve.

### Where do I start?

- ✓ Free initial discussion with the team at PEP to understand what the business wants to achieve.
  - ✓ Further consultation to discuss costs and begin to build a plan.
-

### How will my business achieve Net Zero?

PEP will:

- ✓ Create a plan, completely bespoke to your business. Building a sustainable roadmap with clear targets and measures will commit and engage everyone in the business, from directors to the shop floor.
- ✓ Provide efficiency assessments of operational activity, building optimisation and uses of energy.
- ✓ Provide detailed energy reduction proposals, renewable energy supply options, better building optimisation, behavioural change advice, investment costs and ROI payback periods.
- ✓ Provide sourcing and project support for the implementation of renewable energy supply.
- ✓ Offer green energy procurement and energy funding advice.

### Will I have a dedicated specialist to contact?

Yes, you will have a dedicated account manager at Barnsley and Rotherham Chamber of Commerce. Kayleigh Thompson and Jason Martin at PEP will be at hand to support you through your Net Zero journey.
